

# Monthly Narrative

## June 2013

1. On May 21<sup>st</sup> Maher and Marti cleaned out and disinfected tree building as it won't be used again until next year.
2. On May 29<sup>th</sup> Maher met with Kenny Hauser on RIM Riparian Buffer program.
3. On May 31<sup>st</sup> Maher and Grausam met with Steve Eckstein on change of ownership and easement access for RIM parcels.
4. On June 3<sup>rd</sup> Maher and Jeff Hedtke (BWSR) met with landowner Paul Tews on wetness problems caused by Jim Pietz CREP wetland restoration.
5. On June 7<sup>th</sup> Maher & Peterson (NRCS) met with Pat Boesch and Robert Runk and looked at two grade stabilization structures installed in the early 1960s. The outlet pipes are washing out.
6. On June 18<sup>th</sup> Grausam attended BWSR eLINK training in Mankato.
7. On June 19<sup>th</sup> Grausam, Vogel, Stadick, Rathman, and Finke (Pheasants Forever) attended MASWCD Area VI Meeting at the Mankato Brewery which was hosted by Blue Earth SWCD.

Staff completed 44 RIM and CREP spot checks in May and June, which includes a field visit and completed spot check form for each easement.
