Grant Activity - Riparian Zone Management - 2016 Technician

Description

Riparian Zone Management - 2016 Technician

Brown County Comprehensive Local Water Management Plan

In June, in the advent of increased work load due to buffer, emergency fund, and other funding, a 1 FTE position was hired at Brown SWCD to be funded in part (at least 0.5 FTE) by the state AIS Funding the remaining half was covered by some county funds and the rest with district reserves. The increased capacity of this position was covered by depleting reserve funds in anticipation of the capacity funding.

Funds will be used to maintain the capacity of the portion of this position formally covered by the reserve funding in 2015. The funds will go for a position of technicians capable of attaining appropriate technical certifications or hire technicians to work with landowners to implement conservation practices on property within Brown SWCD.
