

Walk-In Access 2018

Walk-In Access (WIA) provides public hunting on private land in Minnesota and pays landowners to allow that access. Through WIA, nearly 27,000 acres of private land is open for public hunting from Sept. 1 to May 31. An atlas of hunting parcels is available online at www.mndnr.gov/walkin, at retailers within the WIA area, or by calling the MN DNR at 888-646-6367.

-  WIA began in 2011 and has grown to 26,700+ acres. Currently, approximately 230 WIA sites are enrolled in 46 south central and western Minnesota counties.
-  Purchasing a \$3.00 WIA validation with another hunting license, allows hunting on WIA parcels from Sept. 1 to May 31, one-half hour before sunrise to one-half hour after sunset. WIA validations are available at any DNR license vendor.
-  Landowner participation is crucial to this program, so be respectful and ethical while hunting WIA parcels. No target practice, trapping, dog training or walking, camping, horseback riding, hiking, fires or similar activities are allowed by the public.
-  All hunting regulations apply on WIAs and will be enforced by DNR conservation officers.
-  WIA parcels are for walk-in traffic only. Motorized vehicles of any kind are not allowed on WIAs. Parking is along roads or in designated parking areas.
-  WIA seeks landowners with parcels of 40 acres or more with high quality natural cover. This may include, but is not limited to, parcels already in a conservation program. Only small inclusions of crop or hay land may be present.
-  Local Soil & Water Conservation Districts (SWCDs) enroll landowners in WIA. Landowners receive \$10-\$13/acre to allow public hunting access. WIA agreements are voluntary and include an opt-out clause. The current enrollment period runs from Jan. 22 to April 27, 2018.
-  WIA allows landowners to carry out habitat management according to an approved conservation plan. Therefore, some sites may not have high quality habitat. Site updates are available at www.mndnr.gov/walkin.

The Walk-In Access program is funded by:

- A grant from the Natural Resources Conservation Service, U.S. Department of Agriculture, under number 69-3A75-16-509
- A one-time appropriation from the State Legislature in 2012
- A \$5.00 surcharge on nonresident hunting licenses.
- Donations of \$1, \$3 or \$5 made by hunters when purchasing deer and small game licenses.
